

GRACE
COMMUNITY
CHURCH

Hello my friend. Thank you for letting my friend and member read this message to you. My name is Pastor Marcus D. Collins, Pastor of Grace Community Church. I want to let you know today that God loves you. When He created you, He already had a plan in mind for your life. Jesus, God's Son, said, "I have come that you might have life and have it more abundantly."

Unfortunately, too many of us don't experience that life of love, joy, peace and forgiveness that God wants for us. The Bible says that we all have sinned. Because of this we are separated from God and as a result, we deserve death.

But because of how much God loves us, He sent His own Son, Jesus, to die that death in our place. When Jesus died on the cross, He took all of our sins and failures on Himself so that, in exchange, God could give us that abundant life that He wants us to have.

Jesus was taken from the cross and buried in a tomb. But God raised Jesus from the dead and we can get to know Him personally. The Bible says that if you declare with your mouth, "Jesus is Lord," and believe in your heart that God raised him from the dead you will be saved, your sins forgiven and given the gift of eternal life.

I am inviting you to Grace Community Church, on Sunday, for worship and fellowship. At this service, there will be others there who, like you, have been kind enough to accept our invitation. I will be sharing from the Word of God more about this wonderful plan God has for your life. Our church has been praying that you will be with us on Sunday.

Of course, you don't have to wait until Sunday, to begin a new life in Christ. Even right now, you can believe in your heart that Jesus died for you and was raised from the dead, and you can say to the person reading this letter that you believe Jesus is Lord. Would you like to do that?

May God bless and keep you, my friend,

Marcus D. Collins
